

BOOK OF REMEMBRANCE - BOSTON CREMATORIUM

A Book of Remembrance is on display at Boston Crematorium to provide a lasting record and simple though dignified memorial. The book is in 4 volumes, one for each quarter of the year and each day of the year the page is turned to display entries relating to people who have died on that day. The Books are hand made and bound in finest quality calf vellum, richly tooled in gold and emblazoned with the Borough Coat of Arms. The memorial inscriptions are executed by hand with the initial letter in gold leaf. When each volume becomes full it will be preserved and always available for reference, forming a permanent memorial.

The inscriptions can be made in either 2 lines, 5 lines, or 8 lines depending on the amount of verse you wish to use, and the first line is always the surname followed by forenames name of the deceased. Floral illustrations, service badges or family crests can be added with 5 or 8 line entries if desired. Please note that no more than 32 letters or figures are possible on each line.
